# DIVEMASTER SPORT DRYSUIT

Are you a fan of our Divemaster? Then you are going to love our new Limited Edition! The Divemaster has been our most popular neoprene drysuit to date, which is why it was selected to be redesigned for a limited run of only 114 pieces. This Limited Edition is an advanced drysuit featuring premium compressed Yamamoto neoprene delivering minimal inherent buoyancy and max range of motion.

## FEATURED

- Built to last with 5.0mm neoprene
- Internal red nylon lining keeps you warm and comfortable
- Liquid taped external seams
- Internal cell neoprene taped
- Yamamoto neoprene neck seal
