

ARCTIC SURVIVOR EVO PRO 5 RESCUE PFD

PFD can be used in all river, lake and ocean environments including aerated moving water, flood waters and surf. Using a personal flotation device (PFD) helps reduce the risk for workers who fall into water or who have to evacuate their vessel in an emergency.

CERTIFICATIONS

EN ISO 12402-5:2020
EN ISO 12402-6:2020
PPE Regulation (EU) 2016/425
