

VARILUX 3500 LUMEN RECHARGEABLE DIVE TORCH

Performance:

This torch offers versatile illumination, controlled by a top-mounted magnetic slide switch reminiscent of previous models. Whether you need a high-intensity beam or extended underwater exploration, the Varilux 3500 delivers.

Battery Life:

With up to two hours of burn time at the highest setting and an astonishing 100 hours on the lowest setting, you won't have to worry about your torch running out of power during your dives.

Rechargeable Convenience:

The Varilux 3500 features a rechargeable battery that can be effortlessly replenished using the included USB cable and magnetic charging connector. Say goodbye to disposable batteries and embrace eco-friendly diving.

TORCH SPECIFICATIONS

Material: Crafted from anodized aircraft 6061 aluminium.
